# Our Responsibility to the Earth

Our planet is beautiful. It is our job to protect it.  
What can we do to protect Earth's amazing environment?

First, watch this video about how we can help save the environment.

Next, read this PowerPoint about how we can help save the environment.

Then, make a poster about what you have learnt.

*Example*

We should use refillable water bottles!

We should use less plastic!

Name: \_\_\_\_\_

Class: \_\_\_\_\_

Draw or write three different ways that you and your family can save energy and the environment.

Make your poster eye-catching by using lots of colours and drawings
