# New Year Celebration in Hong Kong

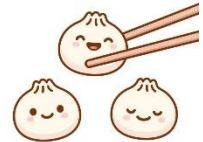

The NETs want to celebrate **January 1<sup>st</sup>** New Year in Hong Kong but are not sure how to. It is your job to help them.

First, tell them what is **your** favourite activity during the New Year celebrations?

My favourite activity is watching the fireworks over Victoria Harbour. I love the loud, colourful explosions of light.

Now, help them to plan a New Year Celebration in Hong Kong

They can begin the year by eating some delicious dim sum in the morning.

Then, they can go shopping in the afternoon to buy lucky new clothes.

They can watch the amazing fireworks over Victoria Harbour in the evening.
