I'm awesome at this.

Make a poster to change this fixed mindset talk into growth mindset talk.

How can I help others get on the right track too?

People don't like it when I act like I'm the best.

Overconfidence makes me think I'm the best but everyone can still improve.

**I'm on the right track.**

Confidence is great but overconfidence is not

It's great that I'm doing well but I won't let it make me lazy!
