## New Year Celebrations

Filipino people like to meet with family and friends on New Year's Eve to celebrate and enjoy a midnight meal known as the Media Noche. On New Year's Day, Filipinos set off fireworks and make a lot of noise with pots and pans to scare away evil spirits.

I like the celebrations in the Philippines because the food looks delicious and I enjoy watching fireworks.

### Fun Fact

Before midnight on New Year's Eve, Filipinos leave all doors wide open to allow good luck to enter.
